## Customer Reviews

Perfect for my 8 year old. I bought her this with a sewing machine and Barbie sized models to make clothes for. This was a cute addition and really the only one I could find that was appropriate! All of the other fashion coloring books I found had scantily dressed older looking girls in it. This was perfect for my daughter and her age group.

9 year old loves this, it has cute appropriate pictures for her to color and is not to hard.
