Customer Reviews

I was hoping for a step-by-step guide for the fairies' faces but only got Tinkerbell's face (the rest are the whole body) and they don't provide many steps (you kinda have to figure it out yourself). It's still fun and I can do them as an adult after a lot of erasing but my girls (who are 7 and 9 and for whom I bought the books) have a lot of difficulty with them.

delivered promptly. great buy for Christmas and is exactly what was asked for as a learning tool

Very nice little book. I bought it for my daughter's 10th birthday, and she loves it.

Very fun for kids, teens, adults who want to learn to draw Disney characters.

good
