Customer Reviews

100% functional as a calendar. Beautiful pictures make changing months an absolute joy. One thing to keep in mind: the 18 month feature covers July through December of 2015; it does not cover the months moving forward into 2017. No big deal if a 2016 calendar is all that is needed.

This is a beautiful calendar. Big enough blocks to write info in. The ocean views are relaxing, the pages are high quality and glossy and aren't flimsy, hangs well without curling up.

Nice quality calendar. The pictures are lovely and the boxes are big enough to write appointments and reminders in.

Gorgeous pics of the ocean. How can you go wrong. I smile every time I look at it!

Beautiful scenes, standard size; exactly what I needed for the new year.

Just what I needed to write my Drs appointments on!

Nice scenic pictures. Days are wide enough to write in any appointments.

Nice and clear printing. The inside has a variety of lovely pictures.
