Bombshell: The Life And Crimes Of Claw Money

Synopsis

Bombshell, her first book, explodes all preconceived notions about the icon many have seen but few have known. From the deepest recesses of her shoeboxes comes this incredible compendium of photographs, designs, personal letters, and other ephemera collected throughout her life. Whether it's shots of spots she bombed in the Bronx or Grandma Baba's recipe for latkes, fashion shoots or candid snaps, Bombshell redefines the graffiti monograph, taking you beyond the icon and into the realm of Claw Money.
