National Anthems Of The World, Eleventh Edition

Synopsis

This unique reference book (first published in 1960) has, over the years, proved invaluable, not only for the increasing number of occasions on which a particular national anthem is played, but also as a permanent reference book for those interested in music and contemporary culture. Close liaison with Embassies, High Commissions and governments has ensured that National Anthems of the World can claim to be the definitive international authority on the subject.

Customer Reviews

A must-have, for those who love to travel and are curious about other countries. Well presented.

Score is well arranged and not too cramped up. Another worthy product from !

For the list of tutorials, google "piano and math tutorials" then choose the "national anthems" page.

Clean book except a library chop at the top. Very satisfactory quality.

Great book
