Till Shiloh Comes (Lions Of Judah Series #4)

Synopsis

The familiar story of patriarch Jacob and his twelve sons comes to new life and power in this masterful retelling by Gilbert Morris. Joseph seems to be the one who will be chosen to carry on the family name and birthright, but Jacob makes a startling announcement: "The scepter will not depart from Judah until Shiloh comes" | Lions of Judah, Book 4.

Customer Reviews

Gilbert Morris' "Till Shiloh Comes" is one of the most memorable, brilliant novels I've ever read. The touching story of Joseph is brought to life in this page-turner, his troubles with his brothers and in Egypt wonderfully illustrated; I couldn't put it down. The realistic views and the accurate accounts make this a must-read.

Gilbert Morris brings the characters of the Old Testament to life. The ways of life of the Chosen People of God is detailed in their nomadic lifestyle. Their human weakness and never ending faith in God is the source of their strength. Joseph in my mind from Sunday School seemed to be bullied by his older brothers. Morris portrays him as the spoiled favored son of Jacob a tattletale and trouble maker. Upon sale into slavery with God at his side, intelligence, morals and ability to understand dreams allowed him to rise to a high member of Egyptian hierarchy thus fulfilling his childhood dream. Reading is my passion and I read all types of books. However; Gilbert Morris is becoming a go to author when looking for a good book. He hasn't let me down yet.

I'm so glad I was introduced to this series via Book Gorilla. True to the Biblical stories of Noah, Abraham, Isaac, Jacob, and more, Gilbert Morris makes the characters and stories come alive. If I were still teaching religion classes, the Lions of Judah books would be required reading. While each book could be read as a stand-alone, reading the series in order was a treat. I am easily annoyed with Kindle books that contain multiple spelling and formatting errors. This series is remarkably "clean"--I may have found 2 typos in four books. I appreciated the quality of the Kindle edition, as well as the engaging way these books are written. If you've tried to read these Old Testament stories in the Bible, but "didn't get it," try this book! If you enjoy Bible fiction, you'll enjoy this entire series.

This series makes scripture pop. I have not been reading for many years but Gilbert Morris as well as Lynn Austin are one of the best writers ever. After reading these books and you read scripture the characters come to life.

Gilbert Morris has created yet another great masterpiece! Those familiar Bible characters are enriched by his magical retelling of their story in God's timeline of history. Thank you for making my Bible come alive!

I've always loved the story of Joseph, and this book is a natural follow up to Morris's book, Gate of Heaven. This book did not disappoint me, except it ended too soon. I would have liked this one book to have developed into a series. There is so much here and I couldn't put the book down until I had finished it. Excellent writing!

When I realized this book would be about Joseph, I must admit I was somewhat disappointed as I knew the story of Joseph so well. Or so I thought. I knew the STORY of Joseph but not the GLORY of God portrayed throughout. It touched my heart to realize the intricate plan of God in Joseph's life and trials and about the wonder of how His hand is personally involved in our lives. And the marvelous story of forgiveness. These books have made me have a whole new love and thirst to read the Old Testament and to see the spiritual revelations contained therein.

I would highly recommend this book to anyone who loves the Bible. Gilbert Morris made the Biblical characters come to life. I had to read the entire Lions of Judah series, and each one was a beautiful

reading experience.
