Age Range: 8 - 14 years

Grade Level: 3 - 4

## Customer Reviews

This book is definitely not worth the \$15.37. If you have a school project or thinking of going to Peru save your money, not that much information in the whopping 32 pages. As a grandma buying this for my grandson I felt it was a ripoff.

The book was excellent! Thanks for writing the boook it helped with my assignment
