## Bear's Big Day

## Synopsis

It's Bear's very first day of school! He wants to be grown up, so he leaves his stuffed bunny Floppy at home along with all his familiar things. But being away from his best friend is hard--and the first day doesn't turn out quite how like Bear wanted it to. Bear learns that the first day of school might not always be perfect, and being grown up doesn't have to mean giving up the things he loves. This third book in the Bear and Bunny series from beloved, bestselling author-illustrator Salina Yoon tackles big themes like starting school and being independent, even in scary new situations. ## Customer Reviews

This is such a sweet, simple story about a first day of school. Perfect for the incoming preschooler or Early Elementary student. Yoon has a wonderful way of tackling the "struggles" of being a kid in a simple way, that leaves the reader reassured that all will end well for Bear and his beloved Floppy. Readers will find the little "easter eggs" Yoon often places throughout the colorful illustrations, reminding readers of her other books and characters.

The first day of school is daunting for most children and for Bear, when he leaves his BFF behind at

home it's even harder. How is he going to get through the school year? No one knows what Bear is going through right? Well, maybe someone does! Written and illustrated by Salina Yoon, published by Bloomsbury Books. #Pb #kindergarten #FirstDayOfSchool #emotions

I had a big day today like bear did. I have been ashamed of my winter body and so I have been afraid to step out into the sun. But today I put on my bikini and went outdoors. I didn't care who saw me with my many folds and wrinkles and pale skin. I was like bear! And my cat did not even laugh. I love bear and I love my body. For all of those reasons, you should check out this book.

In this adorable book, we meet up again with Bear, the sweet main character from FOUND. This time, Bear is going through the big milestone of school, and he discovers that he doesn't have to face big challenges alone even though he is not so little now. Ms. Yoon's charming art adds to the sweetness of the story.
