Martius: The Book Of Palms

Synopsis

Trees of paradise: Exquisite illustrations of the tropical palm On December 15, 1868, Carl Friedrich Philipp von Martius (1794–1868), Professor of Botany at the University of Munich and director of the Royal Botanic Garden, was carried to his grave in a coffin covered with fresh palm leaves. The fronds were a reference to his groundbreaking *Natural History of Palms*: a work in three volumes, published between 1823–1853. This encyclopedic treasury of 240 exquisite chromolithographic illustrations was based on Martius's expeditions through Brazil and Peru. From 1817 to 1820, he traveled over 2,250 km (1,400 miles) through the basin to investigate natural history and native tribes with zoologist Johann Baptist von Spix. The result was an unrivaled catalog of all known genera of the palm family, outlining the modern classification of palms, describing all the palms of Brazil, and producing the first maps of palm biogeography. Martius's folio is unusual in its inclusion of cross-sectioned diagrams, conveying the architecture of these mighty trees, which central Europeans would have found hard to imagine accurately. Equally remarkable are the color landscapes showing various palms often standing alone in simple and elegant beauty.

About the Series: *Bibliotheca Universalis* Compact cultural companions celebrating the eclectic TASCHEN universe at an unbeatable, democratic price! Since we started our work as cultural archaeologists in 1980, the name TASCHEN has become synonymous with accessible, open-minded publishing. *Bibliotheca Universalis* brings together nearly 100 of our all-time favorite titles in a neat new format so you can curate your own affordable library of art, anthropology, and aphrodisia. Bookworms' delight never bore, always excite! Text in English, French, and German

Customer Reviews

Very technical not sure what language most of it is written in.

BEAUTIFUL book. I bought this as an anniversary present for my boyfriend since I couldn't find the larger table top version. The whole book is filled with amazing pictures, I was surprised at the size and quality for the price. He looks at the book everyday and I almost wish I had bought it for myself.

This is NOT like the larger one. The colors are not the same.

Not at all like the larger coffee table edition. Small & disappointing.

amazing illustration!this book is such an interior piece! but i wish it was a bit larger!wonderful! gift perfect!
