A story about a villager who tells stories, that's like diary inception haha. Only Books Kid could pull off something like that. The rhyming zombie story that Oliver read was hilarious. This book really picks up the pace the more Oliver tries to win over Flynn. Oliver definitely gets in over his head. Yet another outstanding book and can't wait to see what the next character will be.

Good but this is already a book by Steve the Noob. The title and the picture on the title is the same. The book isn't the same though maybe a little bit similar. Before writing a book search up the title on

, if there is already a book named (the name that you chose) re-name it, if it isn't there then keep it.
