# The Art Of Painting In Acrylic: Master Techniques For Painting Stunning Works Of Art In Acrylic-step By Step (Collector's Series)

## Synopsis

Ideal for beginning and intermediate artists seeking to develop or polish their acrylic painting skills, *The Art of Painting in Acrylic* features a range of techniques and valuable instruction for working with this classic medium. This comprehensive guide offers a fresh, modern approach to painting in acrylic. Beginning with detailed information for using acrylic tools and materials, *The Art of Painting in Acrylic* introduces artists to the basics, including paints and brushes, supports, mediums, and other essential information for working with this fast-drying paint. In addition to learning about basic color theory, painting techniques, and how to work with acrylic paint and textures, aspiring artists will enjoy putting their painting skills to use by practicing the step-by-step demonstrations designed to instruct and entertain. Professional acrylic painters provide easy-to-follow, comprehensive instruction and inspiration, enabling readers to learn techniques for mastering this lightweight, versatile, and easy-to-use medium. In-depth lessons cover a variety of subject matter ranging from still lifes and portraits to landscapes and animals. Along the way, aspiring artists will discover helpful tips and tricks for rendering a variety of textures, setting up compelling compositions, achieving accurate proportions, and more. With its breadth of content and detail, *The Art of Painting in Acrylic* is a must-have resource for any artist's reference library. Includes: Color Theory, Basic Drawing, Painting Techniques, Still Lifes & Flowers, Landscapes, Seascapes, Portraits, and Animals/Pet Portraits.

## Customer Reviews

This book is very well designed. It covers the most basic topics such as: color mixing, composition and proportion, but it also delves into more difficult subjects like the human form. Most of my training has been in oils, and after recently deciding to put my hand to acrylics again, this book will most certainly be helpful to me. The most useful parts of the book, to me, are the "artists tips" that can be found in each chapter. In the chapter about figures, for instance, it says, "if your skin tone mix is too orange, simply add a bit of violet to gray it down." It is interesting to read insight from a number of professional artists in the same text. I would certainly recommend this book!

This is one of the best books I have come across that shows how to paint with Acrylics. The subjects in this book are varied and has something for everyone. A very exciting book to make one want to paint and have a go at subjects you wouldn't normally paint.

This book is very well done. If you want to learn several awesome painting techniques from an easy to follow, beautifully printed manual, this is a very good choice!

Very helpful.
