Customer Reviews

They are bookmarks that are small enough to include in a card and doesn't add postage. I love adding something special to my cards that I mail..birthday, anniversary, sympathy, or get well. It adds just the right personal touch.

Simple cardboard, yet attractive bookmark with a prayer I feel is important to keep in my life at all times. I really only needed a handful for my various devotional books, but I still feel that the quantity for the price is a good deal. I can give the extras away to colleagues. :)

The Lord's Prayer bookmarks are vibrantly colored. They are not as sturdy as I would like, but that's probably a minor point. The size is perfect.

I bought several packages of these bookmarks for my grandson's daycare at a church. I think it is the most important prayer in your life to learn and I want to help these kids (around 60 of them, up to 12 years old) learn the Lord's prayer. The bookmarks are well made and quite legible. I so glad they are made.

These are the prettiest bible book cards i have found on . Yes, I still purchase the Christian bookmarks in bulk, but after finding these, have not found any pretty enough for putting in all occasion cards until now! Delivery was great!

My favorite prayer that I get to pass on to friends and family. Although, I feel like everyone already knows The Lord's Prayer, I like giving one as a reminder to actually pray it, remind everyone that God loves them. Maybe to keep in their purse or car.

We've started loading up the car with sandwiches and fruit and riding around downtown to find anyone who looked like they could use a meal and we bought these to put in their bag. Very colorful and gives God's comfort without us preaching to them.

on occasion i pass out bookmarks to the nursing staff to brighten their day,they work and at times a death or illness of one of the patients can affect them,so it helps bright their days,plus its greato give to teachers,bible classes,many types of bookmarks here on .
