Nurse Executive Review And Resource Manual, 3rd Edition

Synopsis

Are you looking into how to advance your professional development through certification? Need a reliable and credible reference resource? No matter where you are in the process, make sure you have the most valuable review and resource tool at your disposal. The Nursing Knowledge Centerâ€™s Nurse Executive Review and Resource Manual is a must-have tool for nurses planning to take the American Nurses Credentialing Centerâ€™s (ANCCâ€™s) Nurse Executive certification exam. Based on the official ANCC certification exam test content outline, this review and resource manual will help you:

- Study and analyze comprehensive material and concepts written by nursing experts.
- Develop a recommended seven-step plan to equip you for the exam and map out what to do on the day of the exam.
- Prepare for and familiarize yourself with nurse executive standards of practice.
- And much more ...

Make the Nurse Executive Review and Resource Manual a key resource in your certification preparation.

Customer Reviews

This was a great review in preparation for my examination.

Very thorough material.

Great resource and succinct information

Great prep for the exam.
