Did this book even get proofread before it went to press? Page 4, "Mic everything together".. , page 18: I. 1/4 C each preserves..(any particular kind?) or maybe it's that the entry is duplicated as II. is 1/4 C apricot preserves....?While I'm sure that the sauces will be wonderful, at only 28 pages, it appears that you've paid about \$.25 a page. Really? I expected this to be a larger book with more heft than what it is. I am very disappointed.

I love to cook and the fresher the better. I don't like all the additives and preservatives that are being added to my food. So I am always on the lookout for recipes so I can make my own. I love the recipes in this cookbook because I can make them fresh. Thank you and enjoy your day.

Gee, \$7.00 for a tiny pamphlet with 25 recipes, most of which I wouldn't make. Calling it a book is quite a stretch!

These are spot on. I've made several of them and my god they're great!!

A lot of great recipes in this, I would recommend it.
