Mastering The Job Interview: And Winning The Money Game (The Five O'Clock Club)

Synopsis

MASTERING THE JOB INTERVIEW AND WINNING THE MONEY GAME is for every job hunter who wants to ace the interviewâ to turn that interview into a job offerâ and to maximize the salary potential. Learn how to beat the competition and negotiate the best salary, whether you're looking for \$20,000 or \$500,000. This book will teach you to gain more power in the job interview, find out who your competitors are and how you stack up, use the follow-up checklist to turn interviews into offers, make reference checking work in your favor, communicate effectively during salary negotiation, start out on the right foot in your new job. MASTERING THE JOB INTERVIEW AND WINNING THE MONEY GAME is based on the highly successful methodology used at The Five O'Clock Club, where the average job hunter finds a new satisfying job in half the time of those who are not using our program.

Customer Reviews

The Five O-Clock Club set of books are pretty useful in organizing the job search from beginning to end. But there are so many anecdotes and stories, it's almost like the author is trying to convince herself as much as the reader that "this stuff really works". The Kindle edition is fine, and the Fifth Edition really does bring the search into the present realizing that LinkedIn is the new Monster.com. This book focuses on several of the types of questions you're likely to get in an interview and how to answer tough questions. Not much new here if you've "studied" the job search

or come from a college with a strong career services office. But for those new to interviewing, it would be pretty helpful.

I use this book with all my career coaching clients. With the other 3 books in the Wendleton series, I consider these the best in class in terms of practical advice combined with creating the right mind set for a job search.

Great book. I have book a lot of job hunting book and this is the best by far!
