Matthew: Our Loving King: The Passion Translation

Synopsis

Four hundred years of silence. Where was the promised Messiah? The Jewish people were waiting for word of the prophets to come true, for they prophesied that he would come. Then the angel Gabriel announced his birth. Wise men sought him. Herod wanted to kill him. John the Baptist presented him to Israel. God anointed him. Satan cruelly tempted him. Then the King came into the Jewish meeting house and announced: "I am here! I have come to set you free and to wash away sins, and liberate those who love and follow me." It is believed that Matthew was the first apostle to write a gospel, possibly as early as 50 AD. He was a wealthy tax collector who profited greatly from his duty of representing Rome. And then one day, the Man from Galilee stood in front of him and said, "Come follow me."

Stunning. Captures the heart of God like nothing else I've read in translations of the Word of God! This translation in this Gospel gives me such a clearer picture of God, our eternal King. IN this Gospel I see Jesus as the eternal King, greater than Moses, the fulfillment of the Law. I am so thankful for Dr. Simmons work of excellence with the Hebrew, Greek, and the Aramaic. I would never have been introduced to the Aramaic if it had not been for the Passion Translation!!

I love, love, love, love the Passion Translation. As a teacher and pastor I have been studying the Word of God for nearly 25 years and this translation was like a breath of fresh of air to my soul. The love of Jesus fills every page and it ignites a fire of love and passion in your heart as you read it. Also, the information about the Aramaic and history draws you in and wants you to dive in even

deeper.

The Passion Translation hands down is my favorite Bible translation. The scriptures come alive with depth and feeling. You feel the love of Abba God dripping off the pages and into your heart! You Will be moved by the "Passion" of this translation! I love the honesty of the translator, he provides copious notes regarding the translation. Try one and you will get them all. Do not miss out on getting Song of Songs or the Psalms!

I love this easy to read and understand book of the Bible. We are very blessed these days to have the Bible made clear to us so we can understand what God is saying. I would definitely recommend this book of the Bible to anyone who wants to better understand the Book of Matthew in our language!

I am half way through the book of Matthew and I have to say that the Parables of Jesus have never been so clear than with this version. Brian Simmons explains everything so thoroughly and by reading the informative footnotes at the bottom of each page, I am learning new things. I love reading different versions of the Bible because they all say the same things in different words, and each version teaches me something. This version is very fast and easy to read. I hope this helps.

Incredibly deep and accurate translation to step in to the heart of the Father! My ultimate favorite! The Passion translation will add layers of meaning to every understanding you have! This will speak directly to your spirit. If you want to pull out bountiful depth from scripture, are looking for a Matthew that finally comes alive, or just want easy reading....I recommend this highly. And Dr. Simmons is respected, theologically trained, and has served tirelessly for many years as a Wycliff translator.

The Bible has come alive again through the inspirational translation. I am a passionate lover of Gods word because of the way this translation reveals such nuggets of wisdom and truth... I am slowly collecting all of the books translated to date... i consider them to be priceless jewels, a treasure trove of the Purest love poured out for me.

This translation is so easy to read and understand! I can just keep reading and reading and a ton of time has gone by and I don't even know it. I definitely recommend this to anyone. It's an accurate translation in terms that we would use today.
