Customer Reviews

The paintings by Trevor are so beautiful !!This book gives you many ideas for doing oil landscape paintings. Paint on!

A very useful book for any painter who admires Trevir Chamberlain's oil paintings. This used copy was exactly what I expected and certainly satisfactory for the price. Although this copy is not new, it's not torn or shabby. I would rate Chamberlain's text four or five stars. Thanks to all concerned.

This is a wonderful book by a first-rate painter. It is all-color and most impressive--inspiring! This is timeless art and will be appreciated generations from now--it will be valid as long as people have eyes to see the world.

excellent and practical information explained in straight forward manner from an exceptional painter.
