The Believers Authority- Legacy Edition

Synopsis

Believers Have Authority! Do we have authority that we don't know about, that we haven't discovered, that we're not using? As a young preacher, Rev. Kenneth E. Hagin asked himself this question. He studied the subject and concluded the following: "We as a Church have authority on the earth that we've never yet realized.... A few of us have barely gotten to the edge of that authority, but before Jesus comes again, there's going to be a whole company of believers who will rise up with the authority that is theirs. They will know what is theirs, and they will do the work that God intended they should do." During the past 30 years, over a million readers have been blessed by this classic faith-building message by Rev. Hagin. In his clear and illustrative style, he uses the Word of God to explain the authority that belongs to every believer. *The Believer's Authority: Legacy Edition* supplements this timeless teaching with new material:

- A special foreword from Rev. Hagin's son, Rev. Kenneth W. Hagin
- A "Life and Legacy" historical overview
- Four additional messages from Rev. Hagin on the authority that believers have because of their position in Christ
- A photo gallery chronicling Rev. Hagin's life and the ministry entrusted to him by God

The Believer's Authority will change the way the believer approaches prayer, life and God."The trouble is that we've preached a "cross" religion and we need to preach a "throne" religion." (Page 16) There is power after redemption - a life worthy of our inheritance from the king and access to the throne of God for all who would believe. Through an insightful examination of Ephesians, the believer comes into understanding of his "inheritance" from God and authority, through Christ, over a defeated enemy; his attacks, weapons, and strategies. Through access to the throne, the Christian believer has an inheritance in this world and the next, from the treasury of Christ Jesus. An inheritance of peace, joy, strength, health, power, provision, love and much more. Hagin encourages the believer to "enter in" and receive all the fullness of God. There is power in the tongue - even life and death. And the spoken word from the mouth of the Christian is powerful and persuasive. Power to bless, to heal, and to overcome the evil one in the name of Jesus. Throughout this interesting and powerful book, I was reminded of the teachings of Smith Wigglesworth and felt agreement in my spirit, as well. Thank God for this timely book and the teachings of brother Hagin.

The author explains that not only do we as Christians have authority, most of us do not know about it or even how to use it. Once we are aware of this authority, we will be able to do the work God has called us to do. This book consists of only 70 pages but each page is packed with power and scripture.

Superb Biblical teaching in this book. For any Christian struggling with freedom from strongholds, I highly recommend this book or the CDs. After listening to the CDs, my life has forever changed. Hagin's teachings led me to understand that I am already free Luke 10:19, Colossians 1:13. Whom the Son sets free is free indeed. I thank the Father, Son, and the Holy Spirit. Luke 10:19-20 Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you. Colossians 1:13 He has delivered us from the power of darkness and conveyed us into the kingdom of the Son of His love

This book is the 1984 revised edition of the book that was originally written in 1967. In the Preface, Kenneth Hagin Jr. wrote that "Dad has gained even more light on the subject of spiritual authority. He often said he wished this book could contain these insights." Hence, this is the expanded version which I think is a great book from the Word of Faith movement. I believe that what began as the Word of Faith movement has gained maturity and balance. In fact, Hagin writes, "It's easy to get into

the ditch on either side of the road - the excess, wild fire, and fanaticism. Let's go down the middle of the road and maintain balance." (pg. 18) I recommend this book to you, and just as I have been blessed, so will you. As Hagin wrote about the spiritual authority of the believer, I would like to add in his quotation of James 4:17 the first part which was not quoted, i.e. Submit to God. Hagin quotes, "resist the devil, and he will flee from you." I believe that spiritual authority comes from a heart submitted to God and living a life of obedience to Him. Also, a man with authority is a man under authority. In the reading of the book, you can imply these truths from what was written. I have thoroughly enjoyed re-reading this book after many years, and have found it refreshing and ministering. The following are the chapter titles of the book. 1. The Prayers of Paul 2. What Is Authority? 3. Seated With Christ 4. Breaking the Power of the Devil 5. Exercising Authority 6. Risen With Christ 7. The Weapons of Our Warfare 8. Authority Over Demon Spirits, Not Human Wills

In my opinion, 5 stars go to the simple and powerful message of the book, "The Believers Authority". And no... Neither Kenneth Hagin, nor Rev. MacMillan was original with that message... Don't tell anybody, but it was borrowed from the Bible. I have been in ministry for 30+ years and met more men and women of God who credit this book for a major and positive change in their lives --- more than any other book (other than the Bible). Whether you are Baptist, Methodist, Pentecostal --- or 'Bapticostal' --- it's good to know how to stand strong and take your authority in Christ. God has used this little publication in a marvelous way to teach believers how to run the devil off God's property. It's therefore not difficult to know the source of some of the attacks on the book and its author.

If you're reading this out of curiosity concerning "The Believer's Authority" or Brother Hagin's ministry, let me recommend both of them to you. As a young pastor, this book, as well as the ministry of Brother Hagin has greatly impacted my life and ministry. In a very simple, easy to follow manner, Brother Hagin explains what authority is and how a Christian can live above the mess that the world and the devil has to offer. I recommend it highly!
