Snow Happy: Whimsical Embroidery Designs To Mix And Match

Synopsis

Simple to stitch and so much fun, these whimsical hand-embroidery projects feature winter's most charismatic characters--snowmen. You won't be able to get enough of these roly-poly snowmen as they cook, sew, quilt, and frolic in a winter wonderland created by you! Charming snowman patterns let you showcase your handwork while creating adorable decor. Easy, portable projects make great gifts and festive holiday decorations--including a table runner, pillow, ornaments, and more. Mix-and-match motifs let you customize your embroidery with just a few simple supplies.

Customer Reviews

Robin's new book is so sweet and filled with darling hand embroidery projects from pillows to wall hangings! She also features great stitching tutorials and easy to follow diagrams! Her "transferring the designs" tutorial is fantastic! This book is a keeper... especially for those of us who LOVE snowman! Looking forward to getting out my needle & thread! Buttermilk Basin

Love the snowmen in this book, they are cute and whimsical. I have purchased single patterns by Robin Kingsley, now you can get a whole book of them. They are done in blue, but could be done in any color. If you like to hand embroidery you will enjoy the projects in this book. They are fun and easy to complete.

This book of snow people patterns and embroidery designs is sure to help me make some fun items

for my favorite season, Winter! It has excellent photos and illustrations and explanations that should make this a hit with all levels of needleworkers.

This book is filled with a great collection of snowmen embroidery patterns that are then used on a variety of small to large quilt projects. My favorite is the needle book perfect for holding all your blue floss and needles when taking these stitching projects on the go.

This book is full of adorable snowmen. The projects range from very fast and easy such as the bookmark and ornaments to more complicated like the Snow Happy Quilt. They are for all skill levels. The book is visually appealing with excellent illustrations and instructions. The projects are sure to bring warmth into your home all winter long.

Love, Love, Love this book and all these darling snow people. Fun projects for home or gift giving. The creative snowflake words are so clever. Definitely setting some time aside for some stitching this year!

It met all my expectations - Designs were beautiful and instructions clear

My mom does hand embroidery and she loves Robin's designs!
