Busy Builders, Busy Week!

Synopsis

In this bright, bold picture book, a cast of animal characters are building a brand-new playground in a local park for their community! Each day of the week contains a different construction plan as the steam-rolling, digging, and planting gets underway. Tuesday! Mix day! Pipe and boards and bricks day. Stack, spin, pour it in. Give the fence a fix day. Wednesday! Load day! Take it on the road day. Hoist, haul, pull it all. Something being towed day! The construction project comes together for a joyful, rhyming walking tour of a neighborhood, where young readers can learn the days of the week while watching everyone work as a team!

Book Information

Board book: 32 pages

Publisher: Bloomsbury USA Childrens; Brdbk edition (June 14, 2016)

Age Range: 3 - 6 years

Grade Level: Preschool - 1

Customer Reviews

Reidy and Timmers have created a delightfully fun book perfect for construction-oriented story times. The rhymes are fun to read out loud and even to have the listeners repeat. I like texts like this because they feel so fun rolling off the tongue. This is the sort of text that helps children realize just how much fun words can be. The construction theme will undoubtedly be a hit for many young children as well the surprise at the end. Timmers' bright, colorful, engaging illustrations provide lots of details for children to look at and laugh at (the animals really skinny legs for one). The book also works really well for helping children develop visual literacy as they study the clues and try to figure out what the animals are building. There is more than one perfect spot to stop and let young

listeners figure out what the end result is going to be. A delightful picture book that will provide a lot of fun for young readers and listeners.

I love all of Jean Reidy's books, and *Busy Builders, Busy Week* is no exception! Reidy's writing is charming and informative, and I feel like she does a great job of reaching out to kids with her playful language. I gave them to my niece and nephew when they were little, and now I read them to my own children. My two year old daughter knows all of the words to some of her books - and says them along with me! Do your kid a favor and buy this book for her!

As a reading specialist and kindergarten teacher, this is a wonderful rhyming book for the age 3-6 set. It also reinforces the days of the week. My own children (ages 3, 4 and 6) loved to guess the ending.

LOVE these illustrations. Silly rhyming text make this a fun read. Cute book! Source: Review copy

Construction + days of the week=captivated 3-year-old! Bravo Jean Reidy!
