# A Rainbow Of Friends / Un ArcoÑ-ris De Amigos

## Synopsis

A new bilingual edition of P. K. Hallinan's classic about inclusive friendship. Friends come in all colors and sizes; they can be funny or serious, musical or athletic, outgoing or quiet. In *A Rainbow of Friends / Un arcoiris de amigos*, through colorful illustrations and upbeat verse, P. K. Hallinan shows that when we celebrate the uniqueness of others, our lives are enriched and the world is a better place for all. This new bilingual edition marries the classic text by Hallinan with its Spanish-language translation. At the end of the book is a vocabulary list with key words in both English and Spanish. This book is perfect for children studying either language. Ages 4-7.

## Customer Reviews

Love other books we have by this author and was excited to find this bilingual book for our grandson as my husband, who's first language is Spanish, speaks to our grandson in Spanish. When the book arrived however, my husband was very disappointed with the Spanish translation of the story. So disappointed.

This is a lovely book that I read to my second grade classroom! We used it a beginning of the year lesson to introduce some of the practices for close reading. We also completed 2 crafts for this

book, both were found on Pinterest. I recommend it for any primary teacher. The real draw for me is that the book shows that diversity is more than skin color.
