Dork Diaries 5: Tales From A Not-So-Smart Miss Know-It-All

Synopsis

Nikki Maxwell authors an advice column for the school newspaper in this fifth book of the New York Times bestselling Dork Diaries series. Nikki Maxwell develops a sudden interest in student journalism that may or may not (okay, definitely does) have to do with the fact that mean girl Mackenzie has started writing a gossip column. And there just might be some juicy info involving Nikkiâ™s crush, Brandon, that Nikki doesnâ™t want Mackenzie reporting to the world. So Nikki joins the school newspaper staffâ™ and ends up as an advice columnist! Itâ™s fun at first, answering other kidsâ™ letters. But when Miss Know-It-Allâ™s inbox is suddenly overflowing with pleas for guidance, Nikki feels in need of some help herself. Fortunately she has BFFs Chloe and Zoey on her sideâ™ and at her keyboard!

I really enjoyed this book. It was funny and entertaining. I have read all the other Dork Diaries and this one was just as good as the rest.

This book was amazing. I've read the whole Dork Diaries series. I love the way she writes, just like

the minds of a normal preteen. When I read these books I feel as if I were Nikki Maxwell, and I know how she feels in these books. Thanks Rachel for bringing the inner dork out of me!

I really liked it sometimes I fell as if I go through the same stuff Nikki does but I have never been bullied before but I do have the BEST friends EVER. I suggest this book to anyone and everyone and a bunch of kids in my classes at school would agree. Our library has those books but it is almost impossible to get themcause they are ALWAYS out. The only way I could get to these books was to buy them. I would even suggest this book to boys all the boys in my class have at least read one of them and almost all of the boys are burrowing them from other students, teachers, or the library. So please BUY THIS BOOK I love it and I think you will to. :)

We have now bought all of these books. The author needs to either write some more . It was nice we could load this into our tablet. Good books I would say if you looked at any of this series. Your thinking maybe...stop and pick it up. It is worth it. Your daughter, niece, friend will like it.

I have read all the Dork Diaries before but this one...OMG! It was the best!!! I was sooooooo excited when I got it! And when I started reading it, I was like WOW! So I really recommend this book for EVERYONE! It is awesome! Trust me! :)

OMG! I can NOT believe what Mackenzie did to me today! I was sitting in bio texting Chloe about how much I HATE McKenzie when she so RUDLEY interupted my convorsation by sashaying up to me and roaring "Wow Nikki you wore somethong today that ALMOST did not make my eyes bleed!" The ENTIRE class laughed, except the teacher who screamed at her to sit down. Then she sashayed to her seat and laughed with her CCP wannabe Jessica. I just HATE it when that girl sashays!(end of fake scene)

I loved this book and I think it was hilarious. I liked it because now Nikki is in the newspaper. I loved how she has her own little section 'œ ^ ^ ^ I am so happy and I can't wait to see what happens next ^• ^• ^•The Riptide queen. '§ œ • • •

My daughter LOVES reading and I love letting her pick out books she enjoys! The best thing is the books are fun enough to read that she reads them over and over. I hope they continue this series for awhile so my daughter can continue to grow to read.
