Historic Photos Of Golden Gate Bridge

Synopsis

The Golden Gate Bridge is a marvel of engineering and architecture considered by many to be one of the world's most beautiful bridges, its picturesque vistas favored by photographers, artists, visitors to San Francisco, and almost everyone else. When naysayers said it couldn't be built, Joseph Strauss and a team of visionaries spun 80,000 miles of wire and riveted nearly 900,000 tons of steel into gossamer wings, spanning for the first time an immense gulf and linking the Pacific coast. In black-and-white photography, *Historic Photos of the Golden Gate Bridge* details the history of the bridge from its design and construction to recent times. Nearly 200 rarely seen images offer a compelling look at the bridge, from the days when the treacherous currents of the Golden Gate could be crossed only by boat to the rise of the bridge as a national landmark. This book is sure to delight both those who dream of the impossible and those who live to make it happen.

Book Information

Series: Historic Photos

Hardcover: 205 pages

Publisher: Turner (July 1, 2008)

Language: English

ISBN-10: 1596524456

ISBN-13: 978-1596524453

Product Dimensions: 10.4 x 1 x 10.1 inches

Shipping Weight: 2.8 pounds

Average Customer Review: 5.0 out of 5 stars See all reviews (2 customer reviews)

Customer Reviews

Superb telling of the building of the Golden Gate Bridge with words and great pictures. Sits nicely on my coffee table too.

Love those old photo's of this national icon. Arrived just fine. I enjoy the engineering aspect as well as the aesthetic appeal.
