Nagarjuna's Guide To The Bodhisattva Path (Kalavinka Buddhist Classics)

Synopsis

This is The Bodhisambhara Shastra ("Treatise on the Provisions for Enlightenment"), written by Arya Nagarjuna, the early Indian monk (ca 2nd c.) who is one of the most famous figures in the history of Indian Mahayana Buddhism. This work describes the essential prerequisites for achieving the complete enlightenment of a buddha while also describing the most important practices to be undertaken by bodhisattvas. The text is accompanied here by an abridged version of its only commentary, originally written by the early Indian Bhikshu Vasiṭva, a monk who lived sometime in the middle or first half of the first millennium. This volume includes facing-page source text for the stanzas in both traditional and simplified scripts. Abridgement, notes, and translation by the American monk, Bhikshu Dharmamitra.

Book Information

Customer Reviews

The excellent translator Bhikshu Dharmamitra has abridged the long commentary by Bhikshu Vasiṭva (ca 400?) to Arya Nagarjuna's work. Nothing of the root text by Nagarjuna is missing from this valuable text.

GREAT
