Awesome story. You won't be sorry you read it. I never tire reading about the Amish. Their lives

aren't always perfect as one would think. They go through trials and tribulations as anyone else. Some of the story's are true and some not but still enjoyable but I only read the ones that are at least 175 pages and prefer the longer ones. Enjoy! GAB

Jane's husband has been killed in an auto accident and of all things with a woman in his car. not just any woman but a Amish woman. She is forced to take a vacation from her work and doesn't really want to go. Of all places for them to send her to is an Amish B and B. There she discovers the secret her husband has kept and so much more. Oh by the way she is also expecting a child. You need to read this book cause more secrets are between the pages. A great read.

If you enjoy Amish and clean cut reads then you'd enjoy this book by Samantha Price. I have read all of her expected Amish widow series and I truly enjoyed this book and I hope you will too.

Mixing the complex world view with the simplicity of Amish life makes one want to travel to stay with the Amish to get away from the stress of the world.

I've been following these series and this is the best yet imo.

I love the book! The characters were wonderful and the plot etc. Though a little predictable had a twist that was surprising.
