## Customer Reviews

This book is a joke. Though it said American Publishing Education, it came from the same company Carson Dellosa which published the English Master Skills Grade 4. The content of both books is the same like mirror image. Just different cover. What a waste of money!!

I use this workbook as a supplement for my home schooled 4th grader. He enjoys the variety. Pretty simple sheets that are easy to do in about 5 min.

My students really enjoy these worksheets.
