Rice/Arts & Crafts Prints 2016 Calendar

Synopsis

Arts and Crafts Block Prints Wall Calendar: Arts and Crafts Block Prints 2016 Wall Calendar contains twelve block prints that reflect William Rice's love of the outdoors and his observations as a naturalist. William Seltzer Rice (1873-1963) created humble yet stunning images that were in harmony with the aesthetics of the Craftsman style. A masterful watercolorist, distinguished teacher, and avid outdoorsman, Rice found enduring inspiration in nature. He believed in making original artwork available to a wide audience at modest cost and, being a skilled craftsman as well as an artist, Rice designed, carved, and printed all of his blocks himself. Artwork by William S. Rice Perfect for art lovers Previous and next month views Observes major holidays and moon phases

Customer Reviews

I bought a 2015 calendar for myself last year and two extras this year as gifts. I'm very impressed with the quality, color, and designs of these block prints. Unique and striking. Highly recommended.

Very lovely calendar, with prints that haven't been published on calendars recently. Fresh!

Beautiful block prints, rich color.

Large, high quality reprints of early 20th-century woodcuts by Rice. The calendar is vertically arranged, however, so you need a "tall" space to hang it properly - my only beef.

Arrived quickly, well made. Just don't love it as much as I would have liked. Not bad looking, just not as engaging as I had hoped.

The prints are great. The font size is large enough to read. It's all that I could want in a calendar.

Beautiful pictures. I love this artistic style and enjoy seeing it every day.

Beautiful sharp images and nice limited palette . A favorite artist.
