Dental Assisting Coloring Book

Synopsis

Dental Assisting Coloring Book is an interactive tool designed as both a study aid and a review guide to enhance learning in the field of dentistry. The format makes review and learning creative and fun. Unlike other coloring books, Delmar's Dental Assisting Coloring Book contains questions presented in a variety of formats, in addition to coloring and labeling, to test recall and overall comprehension of key concepts. It covers a wide variety of topics encountered in lectures, clinics and labs, including general anatomy, tooth anatomy and dental charting, equipment and dental instruments, procedures, radiology equipment, and x-ray landmarks. Dental Assisting Coloring Book is an effective way to enhance learning and improve retention of concepts critical to success in the field of dental assisting.

Customer Reviews

this was a great addition to my dental assisting course in school. i made copies of some pictures for my classmates. i recommend this to anyone studying or wanting to learn more about dental assisting in a fun way

The A&P coloring book helped get me through Paramedic school and my son says that the Dental Assisting Coloring Book will be exactly what he needs to gain an edge in his studies!

Bought as a gift for a friend who was starting school to become an Expanded Functions Dental

Assistant, and she's told me a few times that it's been invaluable to her.

book was in great shap

My daughter loves it.
