God Is With Me

Synopsis

This faith formation resource introduces children ages 4â€”7 to Godâ€™s loving presence in every moment through rhyming stanzas and delightful illustrations. Relatable examples assure children that God is with themâ€”always and foreverâ€”and invite them to develop a relationship with him.

Customer Reviews

God is With Me Always and Everywhere is a little hardcover children's book that teaches your children about God's presence. It is from the same author who brought you The Queen and the Cross and The Saint who Fought the Dragon. The book starts with Baptism, where a baby first becomes the child of God and then follows children in everyday situations, including school and interactions with siblings. It also teaches children the importance of the Virgin Mary and angels, particularly their guardian angel, in recognizing God's presence. Your children will learn about God's unending and unfailing love for them. Even when children make mistakes, and they will, they will be assured that God still loves them, wants to forgive them, and will be with them always (if they let Him be). I appreciated the poetic way the words rhymed and flowed on the pages to make for easier reading. I also really like that this book is multi-ethnic, making it so that children of all races can

relate to the pictures in the book. If you are looking for a book that emphasizes to your children the importance of forming and keeping a relationship with God, then look no further than God is With Me Always and Everywhere.

Through an appealing style of poetic rhyme, the author of God is With Me, Always and Everywhere instills the awareness of Godâ™s continual presence in the minds of children and adults alike. The verses present a vivid portrayal of Godâ™s mercy as a constant element of His magnificent love for His creation, despite their shortfalls. God is With Me, Always and Everywhere is a recommended read for all children of ages 5-8 to help them grow in their awareness that they are loved unconditionally by God.
