Customer Reviews

This is a simple log book I need to record my notary work. Detailed enough for what I need to keep track of and not too large.

Perfect size-small enough to fit in my bag and large enough to record.

This is a great little book to log in all things you notarize. Not big and bulky. Lots of pages and should last me a long time.

Not really what I was hoping for, I guess I should have spent a bit more research on the log books first.

No space for signature. Otherwise this product would be great.

easy to carry wherever you need to go
