English Irregular Verbs: The Fastest Way To Learn The English Irregular Verbs

Synopsis

This audiobook will tell you the best and fastest way to learn one of the most important things in English grammar, the irregular verbs. We organized the verbs by groups to make your learning process easier! Our new audio will help you improve two important skills: pronunciation and listening. By improving your pronunciation skills, you'll be able to pronounce the verbs correctly. By improving your listening skills, you'll be able to recognize the irregular verbs easily. That'll happen when you're having a conversation with your friends, classmates, or colleagues; when you are attending a class or a conference; or simply when you're watching TV or listening to your favorite songs. You can listen to this audio at any time, whether you're on your way to school or work, working out, and even when you're sleeping!
