Customer Reviews

My daughter LOVES American Girl dolls and all items. Last Christmas my mom got her a doll and the clothes even are more expensive than I pay for mine! I have NEVER seen or heard of these trading cards until doing an American Girl search on .. I saw these and almost screamed like a little girl myself! lol.. As a single mom with a severe spine injury I can't get out much (well I do anyways for her) and also bills higher than Bill Clinton Not inhaling I can't possibly afford the assessories and suddenly I saw these! HOW PERFECT -- we live on a very small remote island on lake Superior where stores are non-exhistant unless you go to Walmart (ugh don't get me started haha) I ordered a couple packs on here right away (BTW if you have not signed up for your free year of PRIME I soooo suggest that you do. I paid \$1.95 per pack free 2 day shipping.. I gave them to her and she went ballastic (3rd grade) and read the backs of each card one at a time. there are 185 cards total and she was beyond happy to see there was actually quite a few of her in the packs. I wish we had kids up here who trade cards (she has a huge webkinz card collection w/a filled album and a Bella

Sara One.. It helps her not lose them and keep them separate. Plus her doubles of the other cards she trades for marbles and other things) these American Girl Doll cards are GORGEOUS! they do not disappoint in anyway at all. I actually can't believe I've paid 3 dollars for webkin cards IN stores traveling while these are beautiful and I paid hardly anything plus zero shipping. She doesn't know of course but Santa is bringing a mini A.Girl doll for her (and just so everyone knows.. In the website those dolls are 25 dollars and I got mine for \$13.00 on ! almost HALF PRICE (and free shipping w/my free prime trial!
