Who Was Andy Warhol?

Synopsis

Best known for his screen prints of soup cans and movie stars, this shy young boy from Pittsburgh shot to fame with his radical ideas of what art could be. Working in the aptly named Factory, Warhol's paintings, movies, and eccentric lifestyle blurred the lines between pop culture and art, ushering in the Pop Art movement and, with it, a national obsession. *Who Was Andy Warhol?* tells the story of an enigmatic man who grew into a cultural icon.

This was a teacher appreciation present for my son's elementary school art teacher. She loved it and said the "Who Was" books are her favorite. The first graders can read them on their own and understand the story.

My 9 year old grandsons have read it several times and love the entire series. I think I have bought 20+ for them.
