Complete Chamber Music For Strings (Dover Chamber Music Scores)

Synopsis

This volume is reproduced directly from the famous Breitkopf & Härtel series published at Leipzig under the title Franz Schubert's Werke, Kritisch durchgesehene Gesamtausgabe. The music is edited by Eusebius Mandyczewski and Joseph Hellmesberger. Included are the Quintet in C Major (1828), the 15 quartets, and two trios for violin, viola, and violoncello. Noteheads have been reproduced in a size large enough to be read easily while you play, and there is ample space between staves and in the margins for any notes, harmonic analyses, fingerings, or annotations that you may want to record on the score. The edition is practical for almost any use, whether as a study guide, a reference, or just a companion for your greater musical enjoyment.

Customer Reviews

What can you say? It's a dover edition of chamber music scores. Great.

as expoected

All of Schubert's great chamber works are here except for the Trout Quintet. Of particular note are the Cello Quintet, the "Death and the Maiden" quartet and the "Rosamunde" a minor quartet. As with all of Dover's scores, a great price. At it's a better price even than buying it at the local music store with a teacher discount.
