Atlas Of Adventures Activity Fun Pack: With A Coloring-in Book, Huge World Map Wall Poster, And 50 Stickers

Synopsis

Get busy with this activity book packed with stickers, maps, global wildlife, cultural activities, and exciting adventures from around the world. Color in every continent and put together your own adventure as you decide whether you'd prefer to stay in a treehouse, an igloo, or a lighthouse, and whether you'd rather travel by camel, tuk tuk, or hot air balloon. Pull out the huge double-sided poster to see the country flags of the world, or flip it to find a world map, ready for you to customize over 50 stickers.

Book Information

Series: Atlas of

Paperback: 32 pages

Publisher: Wide Eyed Editions; Act Clr Cs edition (March 3, 2016)

Language: English

ISBN-10: 184780733X

ISBN-13: 978-1847807335

Product Dimensions: 9 x 0.2 x 12.2 inches

Shipping Weight: 10.4 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 starsÂ Â See all reviewsÂ (2 customer reviews)

Age Range: 6 - 9 years

Grade Level: 1 - 4

Customer Reviews

I wanted to love the "Atlas of Adventures" activity book, but there are too many flaws that make it less appealing and child-friendly than I was hoping for. The "Atlas of Adventures" is published by Wide Eyed Editions. Here I will be comparing it to Big Picture Press's "Maps", another large-format, unconventional activity book based on a gorgeously illustrated encyclopaedic picture book of the same title â “ and a book pairing which strongly influenced my decision to buy both the hardcover "Atlas" and two copies of this "Atlas" activity book. The first problem with the "Atlas" activity book is that the illustrations run right to the middle seam. As such they are next to impossible for children to color in completely â ” or even to view without bending the spine backwards. My workaround for this

was going to be tearing the pages out, one by one, so that they could lie flat and be easier for coloring. (I was going to do this anyway, so that I could re-order the pages and tailor them to fit our "worldschooling" curriculum for next year.) This brings me to two more problems! One (more a nuisance than a problem): Unlike the "Maps" activity book, the pages here don't have perforated edges, so I'd have to cut them out with a razor blade or scissor edge. Two (much more serious): Most of the illustrations cover two pages, so pulling them out of their book form destroys the continuity of the illustrations. But leave them in the book, and they are difficult or impossible to color completely!! See the dilemma here?? My biggest disappointment of all, however, and speaking to the content rather than the format of the book, is that this "Atlas of Adventures" activity book is far less open-ended than I was hoping.
