Discover the Most Important Law of Attraction Teachings

Law of Attraction Bible is the culmination of decades of intense study and experience with the Laws of Mind. It is a book meant for all Law of Attraction practitioners - beginners to advanced. It contains timeless LoA principles, teachings, and examples that will ultimately form or strengthen a powerful foundation for the successful application of the Law of Attraction. This book offers advanced metaphysical interpretations of the Bible to open new realms of possibility and directly assist the reader in realizing his or her deepest desires. Essential ideas have been thoughtfully assembled into this concise, yet comprehensive book for the benefit of all.

In the Bible, Jesus makes a profound promise. He says: • Very truly I tell you, whoever believes in me will do the works I have done, and they will do even greater things, because I AM going to the Father • (John 14:12). The power of I AM in you can perform miracles too.

By reading this book you will:

- Discover the significance of the two most powerful words • I AM •
- Understand key mystical messages that run through Biblical scripture
- Learn how to apply the inner workings of the Mind to manifest your desires
- Explore an unexpected Biblical approach to the Law of Attraction
- Gain a deeper understanding of consciousness and creation
- Find real-life examples of the workings of Spiritual Law
- & INFINITELY more!
- Unlock Your Divine Creative Power •

So many of us choose our path out of fear disguised as practicality. What we really want seems impossibly out of reach and ridiculous to expect, so we never dare to ask the universe for it. I'm saying, I AM the proof that you can ASK the universe for it. • - Jim Carrey, Famous Actor

Customer Reviews

This book is very different from the books I have read recently and I must say it refreshed my thoughts and my soul. Just by reading it, I realized that I have lots of shortcomings as a Christian. Thanks to the author for sharing these wonderful verses of the Bible, I was able to be still and reflect on my life for a little while. To those who also want to be inspired and get closer to God, I highly recommend this book. I couldn't put this book down once I started. Really, the best words are still the words that came from the Lord. If you have no one to turn to, I guarantee you that prayers always works. It's just that sometimes, the outcome doesn't turn out to be what we expected but I'm sure that God has better plans for all of us.

To attract what you desire, you have to develop a mindful spirit that's in tune with God. The author has included some life examples to bring forth the theories and that's useful because the philosophies contained in the book can be somewhat profound and needs practical scenarios to flesh out the intended meanings. Should you feel lost in your path and need some guidance, it could help to broaden the way you look at things. After all, it's not about what you want only, it's also what the Almighty feels is right for you.

I love reading this book especially this book contains a lot of quotes and verses from the Bible. This book was the best book that I ever read so far. It will let us discover the significance of the two most powerful words "AM" and it will help us understand the key to the mystical messages that run through Biblical scripture. This book motivated me to become closer to God and God has better plan for all of us. I salute the author by writing this kind of book. Good job! Exceptional book!

I liked how the book included a lot of quotes and verses from the Bible. The author shared his experiences in a written form, giving passages of scripture to support them. Each quote and verses is greatly followed by an explanation to explain more in depth about the verses to help the reader to understand it better. And I also liked how this book indicated certain ways of approaches to understand the Bible better.

In order to attract what you want in life, you have to develop a mindful spirit that's in tune with the universe. The author has included some concrete examples to demonstrate the theories, which is useful because the practices contained in the book are sometimes highly philosophical. This is a great book filled with many insights on how to live a richer fuller life.

The Law of Attraction offers clarity regarding the Law of Attraction. It's a great book and I highly recommend it to readers who want the answers to what it really takes to manifest abundance in their lives. I hope we will be hearing more from this author, he is very knowledgeable about the subject matter and has a lot to offer. Make the Law of Attraction work for you and read this wonderful book.

I really think I needed to read this book right now. I have been kind of in a holding pattern lately with work. It's a constant struggle between what I want to do and what I (and others) think that I need to do to get by. So, I was looking to read something that might give me an answer to this back and forth that's going on in my mind. Though I'm not really a religious person, I do find the Law of Attraction very interesting and powerful. I liked how this book melded quotes from the Bible with quotes from famous authors and people " it put each of the topics into perspective on a different level for those of us that are not as religious. After reading this book, I think I have my answer: it is to work harder to get what I want, and believe that I can get the outcome I desire. It is to make a plan and go for it. The power to change is within all of us. We just have to seek it.

After seeing the movie, "The Secret", I wanted to know more about the Law of Attraction and this

was the first book I decided to read. What I learn from this book is to desire something and to bring yourself into the belief or expectation of achieving it... If you have a strong desire for something but you doubt your ability to achieve it, it cannot come, at least not right now, for you must bring your thought of desire and your thought of belief into alignment. Thanks for the encouragement.
