Customer Reviews

This advent calendar is so cute - I love the pop-up effect, and the fine glitter that covers the inside is a nice festive touch. I bought it for my 18-month old, though she's probably a bit too young to really appreciate it without tearing apart. Planning on reusing it next year too.

We bought this advent calendar for our 3-year old daughter. She really enjoyed opening all the flaps every day (although sometimes she would open more, and we had to push them down until the correct day). Super cute and bright - we really enjoyed it and will put it out again next December.

My daughter was delighted with this Hello! Kitty advent calendar. We have done advent calendars in my family over the decades. It is delightful to see so many cute calendars coming along.
