Start Your Own Business (Quick Expert's Guide)

Synopsis

Because of advances in technology, many teens are discovering ways to earn money through entrepreneurship. This guide provides all of the basics to business development, including handling money, making a profit, understanding the market, and expanding a business. Whether the reader has questions about a current business venture or is simply planning for the future, the information is invaluable. It includes charts and checklists, presented in a way that is fun, funny, and very accessible for the business savvy reader. --This text refers to the Library Binding edition.
