Horngren's Financial & Managerial Accounting: The Managerial Chapters (4th Edition)

Synopsis

Redefining tradition in learning accounting. The fourth edition of Horngren's Financial and Managerial Accounting Chapters 16-26, presents the basics of accounting in a fresh format designed to help today's learners succeed. The table of contents for the fourth edition has been significantly overhauled to provide a contemporary approach to the material. Additionally, the whole text has been put through a rigorous accuracy check, so readers can be confident that it is up-to-date and error-free. Customer Reviews

I ordered this text book for my daughter and discovered after she took it to school that it is only 1/2 of the actual book. This paperback edition has 2 volumes - "The Financial Chapters" and "The Managerial Chapters". It is likely that you will need both volumes for your class.

when renting the book need to check if its the 1st, 2nd or the full book, this book is set to two books, ch 1-15 and 16...if you correctly look into this you will have no problem, clean, well taken care of book.

I bought this book paying \$165. The book is missing all chapters after 15 and just like the other customer found out. I found that out as I was looking for chapter 16 to do the assignment. Now I

am forced to buy another book spending the same amount not knowing if that would have all the chapters. I would never recommend this book for anyone. HOW can you have one book with same edition but 4 different ISBN number???????? This is not mentioned anywhere and I found this out after learning that the chapters were missing. NOW I cannot be bargaining as I am in need of a book and therefore have to buy a second book paying the same price. WHO is to be blamed?

I needed this book at the last minute for my class and I was able to get it at a great price with fast delivery!

this is not the managerial chapters. even though it states in the description it is. I'm annoyed.
