Customer Reviews

I bought the NIV faithgirlz Bible for my 9 year old daughter. She wanted something that could hold her bible and devotional. This just did it. Love it. Obviously not leather, but super cute and big enough for pen/highlighter, devotional and bible...awesome!!!! prime shipping.. love

Adorable cover!!! I love the color very bright and happy the flower is cute and I love that there's a verse on the back pocket!!! I ordered the medium-size and it was a bit larger then I wanted but I still am very happy with it!!! It's made well too so I rate this five stars!!!

It is very cute, but a little on the big side. I have the ESV bible and it is a pretty good size book and this cover is a little too big for it. I was wanting something that didnt leave any room around the book.

I was initially concerned that this cover would not fit my bible but it was a perfect fit. The color is beautiful and the design is perfect.

It came in plenty of time for Christmas, and it looks to be of good quality. It fits the Bible we got to put in it and she's ready to start reading! She's excited to take it to church for the first time tomorrow.

This product is functional. It's kept my daughters bible in great condition for just over a year now. It's easy to clean as well. The only negative I have on it is that the stitching is coming out.

I bought this cover for my daughter and she loves it. It's perfect for any girl. The cover keeps her Bible safe and makes it easy for her to carry it with her to Sunday School or just around the house.

I bought this for my great neice for her birthday. She is 11 and just loved it. It's very pretty and seems very durable. It has a scripture on the back that I hadn't noticed before so that was a nice surprise. I think it would be appropriate for preteen and teenagers
