Marigold Garden: Pictures And Rhymes - Illustrated By Kate Greenaway

Synopsis

Kate Greenaway (1846-1901) is one of the most popular children's book illustrators of all time. Edmund Evans produced her first book in 1879, which sold out resulting in triumph and gaining Greenaway her reputation. She has enchanted people, young and old, for over one hundred years with her watercolour illustrations of sweet, charming eighteenth century children with their quaint costumes and idyllic scenes. Kate Greenaway's book 'Marigold Garden: Pictures And Rhymes' was originally published in 1885, it contains many nursery rhymes and tales together with her beautiful illustrations. Many of the earliest children's books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Pook Press are working to republish these classic works in affordable, high quality, colour editions, using the original text and artwork so these works can delight another generation of children.

These are nice poems to use to introduce your children to poetry. They are written about things your children will probably understand, like play and outings and school. Many of the poems are about girls so it would probably be more popular with them but my son did enjoy it, although he would have preferred something more boyish.

Not a good copy at all for Kindle. Couldn't read it.

This book was returned because it was not possible to read the words on the pages. It was a POOR copy of an original work. I had bought it for my granddaughter but it was not appropriate due to the poor quality.

Bad copy.

A great charm in my kindle collection.
