## **Customer Reviews**

This is a super fun calendar. My neighbor, who is a school teacher, loved mine when she saw it, so I had to get one for her also. The kids love the fun holidays on it, as do we. Good quality. Excellent, fun choice.

This is a fun and quirky calendar that celebrates something fun or witty everyday and will keep you smiling all through the year. I bought this for the first time this year, 2016, and my kids love to "see what day it is", aka, what we're celebrating each day. It's also a great conversational piece! I would highly recommend giving this calendar a try, especially if you don't tend to write much in the squares, though there is plenty of room for writing. We mainly use ours for keeping track of what day/ date it is, and I think it looks nice with no extra writing - just the way it comes looks good.

I stumbled on this calendar while looking for something fun to put in my new office, which I share with another person. Now, people frequently come into our office to see what upcoming "holiday" we can celebrate, just because! Such a fun calendar!

My teen daughter had asked for a calendar that showed all of the weird holidays that exist but no one really knows about. This is perfect and affordable. She was thrilled and enjoys finding out each morning what the day is!

Love seeing each day's 'holiday'---some are unbelievable!!

great quality and fun

I love this calendar! I have it up on the wall next to my desk in my office, and it's fun to check each day.

My co-workers and I use this to add spice to the monthly grind. Great product!
