Alfred Suzuki Violin School Violin Part & CD Volume 4

Customer Reviews

I received the book and CD quickly, and the music on the CD is quite lovely. The problem is the music on the CD is from Suzuki Piano School Volumes 3 and 4. Not exactly what I was looking for. The CD even has "Suzuki Violin School" written on the face. I don't know how this happened, but I hope Shar Music will send me the correct disc ASAP.

The book was good, but it contained a wrong CD. The product information printed on CD was "Violin School Vol. 4," but the content was for Piano School (so that there is no way of verifying its accuracy until you actually play it). Have to return the book/CD and purchase it again. Hopefully, the next shipment will contain the accurate CD. Bad...

My daughter has a passion for her Suzuki lessons; this style of learning is enabling her to overcome personal obstacles and gives her much joy. This is a terrific program - very inspiring and motivating.

Quick delivery with correct CD.

This book is excellent to teach students who know their notes and are ready for the next level. They are songs you hear often yet are advanced enough they really need to practice to get the skill.

What can I say. It's another Suzuki Violin book with CD. Everything arrived as expected with no issues.

the book is required for our children in Suzuki Violin School, and it is As good as expected.

Just what was needed.... always great books.
