Customer Reviews

I bought this book for my 13y/o daughter. I thought I would "skim over it" before letting her read it to make sure it was appropriate. I loved it! One of her friends picked it up when she stayed the night and couldn't put it down. She asked me where I got it because she wanted to tell her mom so she could get one. I was so excited to be able to share christian-based values with her, I bought it for her myself. For Christmas, my daughter wanted to buy her books from the same author because she enjoyed his personality so much.

Well written and entertaining basic information about all kinds of drugs! A valuable read for preteens, teens and adults.
