Behind The Wheel: German 2

Synopsis

Now that you know the basics of German, put your knowledge into practice with the unique stories and dialogue lessons offered in German Level 2. Read a story about a couple in a restaurant and then practice ordering yourself a Berliner. Or read a dialogue set in a bank and then form your own questions, like asking what einhundert Euros would be in American dollars. Behind the Wheel: German Level 2 first reviews vocabulary and basic concepts from German Level 1 and then expands on these areas, focusing on medium-length sentence combinations, versatile vocabulary, and extensive sentence-building instruction to improve conversational skill and listening comprehension. German Level 2 features both English and native German speaking instructors.

Customer Reviews

These CDs are fabulous. Even driving our diesel car at high speeds on the highway, I can clearly hear the speakers. I have the usual hearing loss of a 61 year old and these are wonderful. We picked up many new things that are the way Germans actually speak rather than how it is presented in text books. A++

Two thumbs up for Veronika and Mark on this fabulous sequel to Behind the Wheel German 1. I've just returned from a European trip that cost a fortune, but that netted me some of the finest travel memories of my and my family's lifetimes. One of the greatest memories of all are those of the French, Italians, Spanish, and Germans that complimented me on my ability to speak their respective languages. I owe all of this to the Behind the Wheel programs I have been using over that past few months. They really work. All of them I have tried. I love the French with Celine, the Spanish with Luis, the Italian with Ana, and the German with Annagret. My best advice is to tell you to try

these and then use them regularly in your car or on your iPod whenever you have a chance. I never even use the book, since I'm always on the go, but I'm sure it's useful too.
