Customer Reviews

I wanted a way to introduce my kindergartener to more of the classic fairy tales, and this is working great. There are some big or old fashioned words, but taken in the context, she seems to understand the stories just fine. Sometimes I do "edit" the story while reading out loud, if I feel it's a little too gruesome for her, but that's just me.

I struggled for a while to find the right thing to read to my son at night, this fit the bill perfectly and was excellent value.
