## Customer Reviews

We used this book with our Before Five in a Row homeschooling curriculum for Jesse Bear, What Will You Wear? We'll bring it out to play with on occasion, too, and probably for some of the other bear-themed stories. Just be prepared for a lot of cutting, there is no perforation!

I loved paper dolls when I was young and this was one of my favorite sets. The bears are really cute and I had hours of fun with them. If your child likes paper dolls, this is an excellent set.
