"Though Shurei and Eigetsu passed the Imperial Exam with high marks, they are being bullied as they go about their duties as new civil servants in the palace. But it seems the pair may have found an unlikely ally..." I love of how they both toughed it out and kept going on their path of what they wanted to be. This is another volume full of laughs!

it is misadvertised talking about her being the wife of the emperor on every book but that was only the first few

Thank you!!!
