## Customer Reviews

This is a nice little pocket calendar, especially for the fact that it is for 2 years. The blocks for each month have 5 lines and they are 1 inch square. You cannot be a big writer, but for a pocket calendar this is suitable. There is 1 page in front for personal information and 3 lined pages in the back for notes. Each month has a small calendar of the month before and after. There is no calendar that shows the whole year at once. This is a handy calendar that works well, for a good price.

Had I been able to see the inside of the calendar, I would not have ordered it. The pages are not in a preferred format. I like to have a separate square for each day. Saturday and Sunday are in one square, which leaves hardly any room at all for writing scheduled items. Other than that, the pocket calendar would have been fine.
