Synopsis

Find out what it takes to be a member of the military... The military has several branches: the Army, the Navy, the Air Force, and the Marines. Each branch offers a wide variety of opportunities, including the elite forces. Do you think you might like to dedicate a portion of your life to the service of your country? The major requirement for military service is strength of character; that means you must possess qualities like trustworthiness... Respect... Responsibility... Fairness... And citizenship. If these traits are yours, a career in the military may interest you and it could lead to successful civilian employment as well. Military & Elite Forces Officer will tell you how.
